- **Bengali:** Native or bilingual proficiency.

## FIELDS OF INTEREST

- **Competitive Programming:** Prone to participate in coding competitions on online platforms. Interest in learning new algorithms and implementing them.
- **Others:** A good taste for children literature and music and passionate about creative writing.

## PROJECTS

### Online Portal to access Library — *College Makeathon*

An online portal made using Django 2.0 for simulating the operations of library on a digital platform. It allows the user to select books from the available ones and issue them in just one click. This was made to reduce the problems caused while reissuing the books and paying fine.[Details](#)

## HOBBIES

- Reading
- Writing
- Painting (Drawing cartoons)
- Playing guitar
